
My desktop is very close. However, the spiral needs to be stretched a little vertically to match the original. Please modify the generated image so that it better matches the proportions.

Image created • Twilight spiral reflection on water

That's really good. the bottom of the spiral needs to spread out a little further lower. It's just a touch squashed still

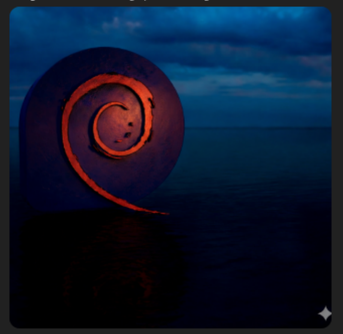
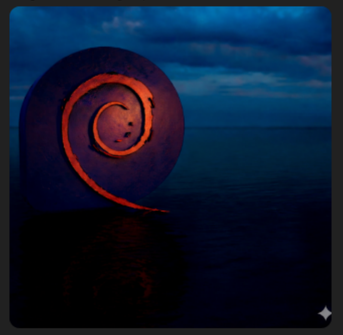
that's too far. Refer to the original DebianLogo image

Image created • Glowing spiral at twilight lake



in the original the spiral stops halfway through the overall logo. You've got the tail ending at the right side.

Image created • Twilight spiral in calm waters



have the tail end in the middle.
